

One to One Mentorship with Hannah Macintyre

Thank you for your interest in my mentorship programme.

An opportunity to learn, practice, expand & grow.

These sessions are for what YOU need! Each one tailored to you and your needs at this time.

This is a great way to get focused attention on you and your development, with maximum support and attention.

Not just for mediumship, Hannah can support you in your healing, offer you a spiritual assessment and even give you business advice to get your offering off the ground.

All mentorship is held online via Zoom and sessions are approx 1 hour long.

For those of you who want to, there will also be opportunities to practice with other mentorship students and even practice to audiences (when you feel ready, no pressure).

Sessions are £133 for a single meeting, 5 block booked are reduced to £599 and 10 block booked are reduced to £1111.00.

I believe maximum impact will be received from working together over several months, but of course you can book a one off to start.

You can see available spaces and book by visiting www.bookwhen.com/hannahmentorship, but please do speak to Hannah if you need an alternative offering (evenings & weekend appointments are available, but are strictly limited)
